India, Nepal, Central Asia

1.3.2020:
Start of UNIGIS programs: Salzburg,
Central Asia, Zagreb

1.-5.10.2019
Meet us! ISEM International
Conference for Ecological
Modelling, Salzburg

Dobrodošli, UNIGIS Zagreb!

UNIGIS Salzburg says welcome to Oikon, our new partner in Croatia that launches a study center for the Balkan region. UNIGIS Zagreb offers local support for our English-language study programs. Registration for March 2020 is already open!

Featured Master Thesis

While Spatial Data Infrastructures conventionally host static data, the web processing service (WPS) offers the opportunity for process automation. In his Master Thesis, Gunnar Ströer tests this concept for an emergency evacuation scenario for the German city of Freiburg.
