UNIGIS @ GI_Salzburg - Throwback and Outlook to 2024

We are looking back at the GI_Salzburg conference, where UNIGIS had its very own programme highlights! Read our blog post and dive into the flair of this sunny conference full of GI-enthusiasts. Watch out for the paper and poster calls for the upcoming year. UNIGIS will be part of GI_Salzburg24 for sure!

Save the date for GI_Salzburg24: 2 - 4 July 2024

SEE YOU IN BERLIN 2023

OCT. 10-12
2023

INTERGEO®

Intergeo 2023 - Visit Intergeo for free with UNIGIS Salzburg

Autumn is expo time, and, of course, UNIGIS has a booth at this year's Intergeo in Berlin! We are looking forward to meeting (prospective) students, to learn about the latest trends, and to exchange with experts in the field. And the best part - for you? We can offer you a free ticket to this international 3-day expo! Send us an email to **UNIGIS.office@plus.ac.at** stating "UNIGIS at Intergeo" if you are interested.

UNIGIS Team

We took the chance at this year's GI_Salzburg23, to take a new team picture! We are always happy to assist you and support you on your academic journey through your UNIGIS study program!

Your UNIGIS Team

UNIGIS Social Media & Blog

You want to read more about the latest module updates, real-life projects, and #geoinformatics related news from UNIGIS lecturers or students? Have a look at the **UNIGIS blog**. During the summer months, we added some new postings. © Also, follow us on **social media** and stay tuned for new posts and info from the UNIGIS team.

> [Have a look at Petra's story on her visiting the Esri UC 2023, in San Diego!](#)
